1. **Call to Order**
2. **Roll Call**
3. **Presentations:** None Scheduled
4. **Public Comment:** Comments will be taken by the Town Council on any non-agenda items. Comments are limited to four minutes per speaker. The Council may or may not respond to non-agenda issues brought up under public comment. Those wishing to comment should stand, state their full name and address, whom they represent, and the subject matter to be addressed. Total time allocated to public comments will be no more than twenty minutes.
5. **Consent Agenda:** None
6. **Approval of Agenda or Changes**
7. **Approval of 02/15/2022 Council Regular Meeting Minutes**
8. **Approval of 3/7/2022 Council Regular Meeting Minutes**
9. **Planning Commission Report**
10. **FY2023 Budget Work Session**
11. **Previous Action Items and Updates**
12. **Other Business**
13. **Council Comments**
14. **Adjournment**

**Interlaken Town Council Regular Meeting Minutes**  
**Monday, 11 April 2022, 6:33 PM – 8:12 PM**

**1. Call to Order** Mayor Harrigan called the meeting to order at 6:33 pm

**2. Roll Call**

Greg Harrigan, Mayor  
Chuck O’Nan, Council Member  
Sue O’Nan, Council Member  
Justin Hibbard, Council Member  
Chuck Cullom, Council Member arrived late

**3. Presentations:** None Scheduled

**4. Public Comment:**

Tasha Lingos, 311 Interlaken Dr. Tasha voiced her concerns regarding The Reserves construction traffic on town roads, an exposed utility box on the way to the water tank, and the gate on the trail from Interlaken to Wasatch State Park. See her attached email for more detail.

Greg noted that the construction vehicles that use our roads will be fined. The utility box may be an old unused service connection but will be investigated. The trail to state park is on private property, with a new landowner. A prescriptive easement doesn’t apply to trails. The trail that was routed adjacent to the pumphouse, crossing onto town property and the source protection zone will be routed straight downhill, avoiding those areas.

Tasha noted that the 3<sup>rd</sup> dumpster really helps with the DPW site garbage.

**5. Consent Agenda:** None

**6. Approval of Agenda or Changes**

Bart Smith suggested agenda item 10 be changed to add a vote to item 10, FY2023 Tentative Budget Discussion. The agenda item would be changed from “FY2023 Budget Work Session” to “FY2023 Tentative Budget Discussion and Vote.”

**Motion:** Council Member Chuck Cullom moved to approve the amended agenda.

**Second:** Council Member Sue O’Nan seconded the motion.

**Discussion:** no discussion.

**Vote:** The motion was approved with the Council Members unanimously voting Aye.

**7. Approval of 02/15/2022 Council Regular Meeting Minutes**

**Motion:** Council Member Sue O’Nan moved to approve the 2/15/22 minutes as presented.

**Second:** Council Member Hibbard seconded the motion.

**Discussion:** no discussion.

**Vote:** The motion was approved with the Council Members unanimously voting Aye.

## 8. Approval of 3/7/2022 Council Regular Meeting Minutes

**Motion:** Council Member Sue O’Nan moved to approve the 3/7/22 minutes as presented.

**Second:** Council Member Hibbard seconded the motion.

**Discussion:** no discussion.

**Vote:** The motion was approved with the Council Members unanimously voting Aye

## 9. Planning Commission Report

Diana Duer reported for the planning commission. She noted that there has not been a lot of activity during the winter. Here is a summary:

- Lot 039 - Osborne - CO was issued.
- Lot 065 Parkinson remodel, formerly permitted by Barton, new permit issued today 4/11 because the scope of the project has changed.
- Lot 111 Parsons, still holding portion of deposit pending completion of site work
- Lot 206 Harrell, final inspection completed 3/21. They are not in compliance due to outside wood burning fireplace, lot owner, TO, contractor are addressing the issue. They could install a gas log set to bring it into code. They are having sewer issues. It does seem like there is a lot of work to be done.
- Lot 026, 231 Interlaken, Becker – has stated that the installation of bathroom shower and tile is not correct – that’s why there has not been a final inspection.

The PC is meeting monthly. Diana will complete minutes for posting.

## 10. FY2023 Tentative Budget Discussion and Vote

Smith presented a draft of the proposed FY2023 budget and background materials supporting the numbers in the budget. The council stepped through each line item in the proposed budget and made recommendations.

Chuck O - Asphalt Preservation does not due roto milling, need a different company.

Chuck C – not a good idea to get a bid for roto milling if the town doesn’t pursue the contract.

Sue – should we ask Bob Henry if we can wait for top coating until next fiscal year.

Greg spoke with Bob and got the response that the town could wait until summer 2023 (FY2024) to do the top coating. This would reduce FY2023 expenses on the road system maintenance and capital improvements to \$10,000 (line 55: Annual Road Repair & Maintenance). This affords the town the opportunity to make a significant contribution to the road reserve fund - \$100,000 in FY 2023 (line 29: Contribution to Capital Improvements in Transportation Reserve Fund).

The budget was modified to include \$2,000 for recycling service (line 56: Additional Contract Services).

Greg noted that Watts plans to pave The Reserves road system and the modified Luzern Road in early May.

Scott, Russ and Greg will meet soon to begin the RMA committee discussions about shared expenses. Greg will need a letter and a summary of expenses for that meeting.

Chuck will get a bid for patching in front of Osbornes to add onto the current expense for FY2022.

**Motion:** Council Member Chuck Cullom moved to approve the tentative FY2023 Interlaken Town budget with the discussed revisions..

**Second:** Council Member Sue ONan seconded the motion.

**Discussion:** no discussion.

**Vote:** The motion was approved with the Council Members unanimously voting Aye

The approved FY2023 tentative budget is attached to these minutes.

## **11. Previous Action Items and Updates**

- Greg – 1<sup>st</sup> 2 weeks of May Luzern will be paved, DPW site will be paved. We need to collect the \$50 for the construction traffic from the offenders.
- Chuck C – will start the process in May working on the water tank easement with Wasatch Mountain State Park. He will attend the 4/21 adjudication meeting for water rights, and provide more info at the May meeting as to what are the next steps. He needs Sue Cullom to work to track paperwork.
- Smith reported on the security system, pumphouse upgrade, and failure of the siren

## **12. Other Business** None

## **13. Council Comments** None

## **14. Adjournment** - Council Member Sue O’Nan moved to adjourn the meeting. Council member Hibbard seconded the motion. The motion passed unanimously. The meeting was adjourned at 8:12 PM. The next town council meeting is scheduled for Monday, May 2, at 6:30pm via Zoom.

## Agenda 04: Public Comment

**Subject:** Good Morning

**Date:** Monday, April 11, 2022 at 10:17:19 AM Mountain Daylight Time

**From:** Tasha Lingos <tlingos@hotmail.com>

**To:** Interlaken Clerk Bart <interlakenclerk@gmail.com>

**Attachments:** IMG\_6105.jpg, IMG\_6106.jpg, IMG\_6132.jpg, IMG\_6133.jpg, IMG\_6146.jpg, IMG\_6147.jpg

Not sure if these issues are "Meeting Worthy". Photos 1 and 2 are very large container on our road being delivered to the house where the foundation is going in. Numbers three and four are on the way to our water tank uphill on the right hand side. It looks as though somebody drove over it, so I put boulders around it so they wouldn't smash it. I'm not sure if it is essential, and needs to be repaired? Numbers five and six indicates the gate on the way to the state park, which is now padlocked shut. That means all the riders are turning around and going right next to our pump house. Many thanks.

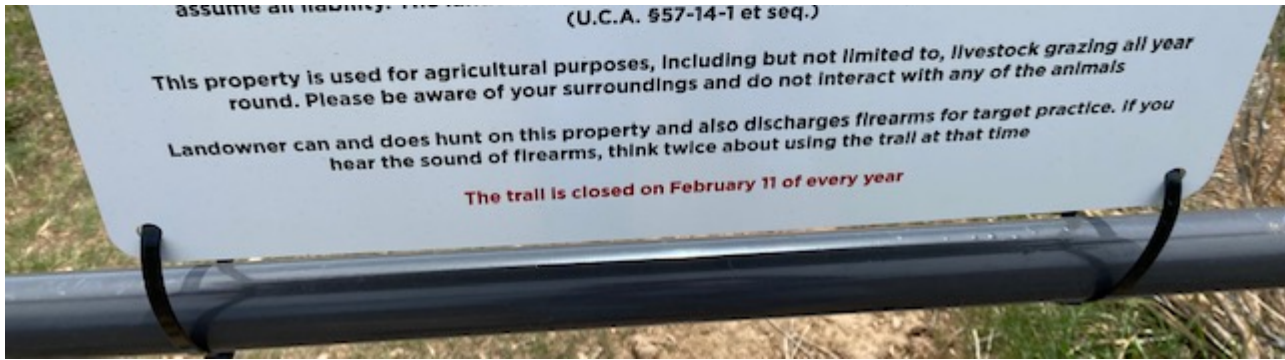

# KEEP GATE CLOSED

If the general public is not conscientious in keeping the gate closed, everyone may lose the privilege to access this trail on **private property**. The public does not have a **RIGHT** to access this trail, it is a privilege granted by the landowner and said privilege can be revoked at any time. Do not wonder off trail for any reason, doing so is trespassing. If the gate is locked, do not attempt to use trail - the gate is locked for a reason.

Be aware that you are accessing private property at the sole discretion of the landowner. The landowner reserves the right to close or modify trails at anytime without notice. Using the trail once or repeatedly does not convey a perpetual entitlement or easement to use the trail

**WARNING:** Recreational activity on trails is dangerous and users access trails at their own risk and assume all liability. The landowner is protected by the State of Utah's Landowner Liability Act

## Agenda 10: FY2023 Tentative Budget Discussion and Vote

### Interlaken Town Council Regular Meeting Materials

Monday, 7 March 2022, 6:30 PM – 8:30 PM

*Prepared by Bart Smith, Interlaken Town Clerk*

---

#### FY2022 Budget Status

---

*Reference the attached file “08a - FY2022 Jul-Feb Revenue & Expenses” to follow this discussion.*

*If you love Excel, reference the attached file “08b – FY2022 All Revenue & Expenses Rev 04”*

The attached revenue and expenses report summarizes the town’s revenue and spending from the start of this fiscal year (7/1/21) through last month (2/28/22). This 8-month period covers 2/3 of the fiscal year and compares actual revenue and spending to the total revenue and spending budgeted for the entire fiscal year, ending 6/30/22.

Of the 6 accounts in this report, I’d like to focus on our 2 main spending accounts, the Water Revenue fund and the General fund. The balances and activity in these accounts are very relevant to other agenda items that require discussion and funding.

#### ***Water Revenue Fund***

---

**Revenue** Since we have just sent out water usage invoices, the revenue in this account shown is way under budget - \$8,473 vs. \$177,770. I don’t see a problem with collecting the full budgeted amount. We have exceeded budget in past years, and I don’t see any reason to think differently. It is interesting to note that we have already exceeded the budgeted new owner transfer fees - \$2,250 vs. \$450.

**Expenses** On page 3 of the report you’ll see that the town is way under budget in expenses to date - \$(131,186) vs \$(191,277). This is due primarily to line item 123g – Pump Replacements, Telemetry System, Meter Upgrades. We decided to slow our investment in remote reading capability and split the cost between this fiscal year and next. Money spent this year was directed towards the required upgrades at individual meter pits – new meters, lids, and the radio transmitters. We have this equipment on order and have already paid in advance – that’s the entire \$21,944 spent. The remaining cost for the Flexnet remote meter read upgrade is approximately \$35K - \$40K, depending on installation costs for the outdoor base station (radio receiver) which will most likely be mounted on the pumphouse roof.

*Reference the attached file “08c – InterlakenFlexLight” for more information about the Flexnet costs.*

**Summary** The Water Revenue account is in good standing and stands to hold a surplus at fiscal year-end of \$40K+. This bodes well for proposed spending on water system security, a raise for our water masters, and an electrical upgrade to the pumphouse. These proposals are discussed later in the agenda.

#### ***General Fund***

---

**Revenue** Thanks to the increased building activity in town, we are enjoying a substantial increase in Wasatch County tax revenue - \$131,029 vs. \$118,000 budgeted. As there are 4 months more in this fiscal year, I would expect total General fund revenue to exceed budget by around \$15K to \$20K.

**Expenses** On page 3 of the report you’ll see that the town is way under budget in total General fund expenses to date - \$(127,377) vs \$(259,039). We underspent significantly in road repair and maintenance, opting to delay topcoat sealing until next fiscal year - \$(15,150) vs \$(70,000). There are significant funds still available for DPW site improvements – we have spent \$(3,370) vs \$(30,000) budgeted.

**Summary** The General Fund account is in good standing and stands to hold a surplus at fiscal year-end of \$70K to \$80K. This bodes well for proposed spending on the DPW site, including the addition of security cameras, discussed later in the agenda.

## **FY2022 Water Billing**

---

*Reference the attached file "08d – Batch 01 Water Deposit" to follow this discussion.*

In summary, the town collected \$34,914 in base usage fees, \$2,542 in overage fees, and \$150 in new owner transfer fees from the first billing. In addition, prepayments of fees adds \$4,866 to that sum. As I said earlier, I don't foresee any issues with collecting our full billing amount.

# Agenda 08a

Jul thru Feb : 7/1/21 - 2/28/22

## Interlaken Town Statement of Revenue and Expense

**FY 2022 Budget Update and Expense Report**  
**Bart Smith, Interlaken Town Administrator**  
**March 26, 2022**

RE: FY2022 Budget Update and Expense Proposals  
TO: Interlaken Town Council

This is a follow-up report to the revenue and expenses report presented at the 3/7/22 town council meeting earlier this month. Since that meeting some critical issues have come up regarding proposed expenditures and it is imperative to understand the overall impact on the town's financial standing from these proposals.

**Water System Security and Surveillance Project**

At the previous meeting the council voted to approve an expenditure for the Verkada/Geneva security system, which combined security and surveillance for the pumphouse, water tank, and DPW site. The approval was pending the outcome of the proposed FEMA grant. This grant was abandoned as it turned out to be impractical to install an effective alarm siren for the town. After a topographical analysis from Sentry Siren, it was determined that 2 sirens would be necessary to spread an alarm to all the lots in town. It was proposed that one of the sirens be placed at the pumphouse, while the other would be situated up higher, possibly on Lot E of the town's municipal property. This lot, located at the intersection of Jungfrau and Eiger Point, has no current access to power, and would present an eyesore to neighboring homes. The siren at the pumphouse would also be an eyesore, given both sirens would require a 35' to 40' high tower. Besides the logistical and aesthetic issues presented by the siren, it seemed that a more effective response to emergencies in town would be to use bulk text messaging and voice calls. A cost-effective platform for these types of alerts was approved by the council at the 3/7/22 council meeting and will be set up this spring.

The original bid for the security system from Verkada/Geneva expired on 2/11/22 and was bid at \$28,581.88. A new bid was provided on 3/23/22 for \$31,749.11 which covered cost increases from the earlier bid. After examining this bid, I asked Verkada to bid the same equipment with a 10-year license instead of the 5-year license included in the previous bids. Recall that the equipment is warranted for 10 years, and an extension to the licensing was discussed at the council meeting. This bid turned out to be quite large, at \$41,857.33. After probing a bit more, I discovered that a large part of this bid (\$8500 plus) was dedicated to a leak sensor for the well heads and monitoring of the site by a 3<sup>rd</sup> party. As we already have cameras and environmental sensors to monitor the well heads, this seemed like a redundant and expensive option to include with the system. Finally, I had them prepare another bid which eliminated leak detection and site monitoring but included the 10-year licensing. This brought the system bid down to **\$33,540.76**, which is what I had them order.

### Pumphouse Electrical Service Upgrade

Earlier this year we had a single-phase power surge which blew up the transfer switch used as part of the backup generator system for the pumphouse. The repair and replacement of the transfer switch turned out to be quite expensive - \$2,225 plus additional diagnostic costs. In addition, the generator was down for a while, as we had to wait for the part. This whole incident brought to light some failures in the transformers at the pole, which HL&P has since replaced with new tubs. However, in order to make use of these transformers (we are still connected to the old ones), the pumphouse service requires an upgrade from 100 amps to 200 amps. HL&P also noted that the step-down transformer in the pumphouse was ancient and likely to fail. With an increased load on the pumphouse service from adding the security system as well as service to the DPW site (for equipment and block heaters) it was decided to upgrade the 208V service from 100 amps to 200 amps. Finally, since the security system requires POE service to the cameras bordering the DPW site, it is necessary to trench and install conduit for this wiring. So, all together, this had turned out to be a significant expense for the town at **\$37,070**.

### FY2022 Budget Impact

The attached report summarizes the impact of the above two expenditures on the FY2022 budget which ends on June 30, 2022. Without getting into the weeds, scroll down to lines 29 through 36 in the report to see the impact of these expenses on the fiscal year end balances using projected revenue and expense numbers for the remainder of the year (3/1/22 through 6/30/22). Because of various unspent items and revenue increases, the projected end of year balances would exceed budget by **\$87,894 over all 6 accounts**, including the above-described expenditures of **\$33,540.76** (security system) and **\$37,070** (electrical upgrades).

Fund Balance Summary							
Line#		Water Bond Sinking	Water Revenue	Water Reserve	Transportation Reserve	Building	General
29	Budgeted Balance 7/1/2022	\$160,238	\$81,046	\$159,520	\$229,091	\$51,635	\$39,125
30	Projected Balance 7/1/2022	\$160,490	\$65,156	\$159,520	\$229,091	\$51,636	\$142,656
31	Difference (Projected - Budgeted)	\$252	-\$15,890	\$0	\$0	\$1	\$103,531
32							
33	Total of Fund Balances 7/1/2022						
34	FY2022 Budgeted	\$720,655					
35	FY2022 Projected	\$808,549					
36	Difference (Projected - Budgeted)	\$87,894					

Interlaken Town  
P.O. Box 1256  
Midway, UT 84049  
(435) 565-3812

Here's some details regarding this projection.

Look at line 10, Maintenance & Repair for the approved budget under the Budgeted General Fund. We currently have \$61,681 in unspent funds.

FY2022 Approved Budget - 7/1/2022							
Line#		Water Bond Sinking	Water Revenue	Water Reserve	Transportation Reserve	Building	General
01	Budgeted 7/1/2022 Balances	\$ 160,238.00	\$ 81,046.00	\$ 159,520.00	\$ 229,091.00	\$ 51,635.00	\$ 39,125.00
02							
03	Unexecuted Budgeted Transfers						
04	Budgeted Transfers In	\$ 78,275.00	\$ 31,500.00	\$ -	\$ 25,908.00	\$ -	\$ 81,400.00
05	Budgeted Transfers Out	\$ -	\$ (108,775.00)	\$ (30,000.00)	\$ (50,000.00)	\$ (9,900.00)	\$ (18,408.00)
06	Net Transfers	\$ 78,275.00	\$ (77,275.00)	\$ (30,000.00)	\$ (24,092.00)	\$ (9,900.00)	\$ 62,992.00
07							
08	Unspent Budgeted Expenses						
09	Administrative & Operating Expenses	\$ -	\$ (11,327.00)	\$ -	\$ -	\$ (1,347.00)	\$ (26,756.00)
10	Maintenance & Repair	\$ -	\$ (2,561.00)	\$ -	\$ -	\$ -	\$ (61,681.00)
11	Capital Expense - Water System	\$ -	\$ (45,950.00)	\$ -	\$ -	\$ -	\$ -
12	Capital Expense - Roads	\$ -	\$ -	\$ -	\$ -	\$ -	\$ (6,596.00)
13	Capital Expense - DPW	\$ -	\$ -	\$ -	\$ -	\$ -	\$ (26,630.00)
14	<b>TOTAL Unspent Budgeted Expenses</b>	\$ -	\$ (59,838.00)	\$ -	\$ -	\$ (1,347.00)	\$ (131,663.00)

Compare this to line 21 in the Projected General Fund, \$6,681 that will most likely be spent for the remainder of this fiscal year. This is due to the delay of major road maintenance expenditures in FY2022, to be done in FY2023.

FY2022 Projection - 7/1/2022							
Line#		Water Bond Sinking	Water Revenue	Water Reserve	Transportation Reserve	Building	General
15	Fund Balances (3/1/2022)	\$ 82,150.00	\$ 48,863.00	\$ 189,416.00	\$ 251,921.00	\$ 51,850.00	\$ 115,833.00
16	Outstanding Budgeted Revenue	\$ 65.00	\$ 169,297.00	\$ 104.00	\$ 1,262.00	\$ 11,033.00	\$ -
17							
18	Projections to FY End 3/1/2022 - 7/1/2022						
19	Remaining Net Transfers	\$ 78,275.00	\$ (77,275.00)	\$ (30,000.00)	\$ (24,092.00)	\$ (9,900.00)	\$ 62,992.00
20	Administrative & Operating Expenses	\$ -	\$ (11,327.00)	\$ -	\$ -	\$ (1,347.00)	\$ (26,756.00)
21	Maintenance & Repair	\$ -	\$ (2,561.00)	\$ -	\$ -	\$ -	\$ (6,681.00)
22	Capital Expense - Water (Geneva Security System Bid 3259)	\$ -	\$ (33,540.76)	\$ -	\$ -	\$ -	\$ -
23	Capital Expense - Water (Pumphouse Birch Electrical Bids 38,41)	\$ -	\$ (30,300.00)	\$ -	\$ -	\$ -	\$ -
24	Capital Expense - Roads	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -
25	Capital Expense - DPW Site (Excavation & Birch Electrical Bids 39,40)	\$ -	\$ -	\$ -	\$ -	\$ -	\$ (11,770.00)
26	<b>TOTAL Projected Transfers + Expenses</b>	\$ 78,275.00	\$ (155,003.76)	\$ (30,000.00)	\$ (24,092.00)	\$ (11,247.00)	\$ 17,785.00
27							
28	Additional Projected Revenue Over Budget	\$ -	\$ 2,000.00	\$ -	\$ -	\$ -	\$ 9,038.00

That difference accounts for the bulk of the year end balances between budget vs. projected.

Another impact on the budget is the difference between budgeted General Fund DPW site capital improvements – line 13 - \$26,630 budget vs line 25 - \$11,770 projected. Note that the projected \$11,770 expense includes the excavation of the DPW site further back into the hill side for increased space, as well as the installation of power at the site.

Interlaken Town  
P.O. Box 1256  
Midway, UT 84049  
(435) 565-3812

### **Summary**

Due to combination of reduced expenditures in FY2022 and revenue increases, the additional expenses of the Verkada/Geneva security system and pumphouse electrical upgrades do not negatively impact the end of year balances of the town's accounts. The projected \$87,894 surplus over budget could be advanced to next year's budget and applied to road maintenance or other capital improvements.

Sincerely,

Bart Smith  
Interlaken Town Administrator
