

# Wasatch County Solid Waste - Interlaken Dumpsters

Interlaken Town does NOT provide garbage collection services for homeowners at their lots. Interlaken residents haul their household garbage and recycling to dumpsters located at 326 Luzern Rd. just west of the town's pumphouse. There are currently 3 dumpsters used for garbage and a single dumpster for recycling. These dumpsters are to be used for household waste and recycling only, and only by current residents of Interlaken Town. Do not use the dumpsters for large items, metal, yard waste, or construction debris. Recycling is limited to paper, cardboard, and some plastics. Recyclable plastic can be identified by a mark – a number inside a triangle. If there's no number, it's not recyclable. WE CANNOT Recycle glass. Please do not leave items on the ground outside the dumpsters. For those types of material, you should haul your waste to the transfer station located at 1891 West 3000 South, in Heber. This station is located just off highway 189 (Provo Canyon Road) at the Wasatch County Public Works site:

## Transfer Station at 1891 West 3000 South, Heber

Billing for Wasatch County Solid Waste is on an annual basis, in the middle of the billing cycle. As part of the annual fee, the county provides lot owners with a punch pass valid for 3 trips to the transfer station during June of each year. These free trips are limited to one pickup sized load each trip and valid only during June of that year. Be sure to bring your bill (see below) with you to the transfer station to get these free trips. Contact Wasatch County Waste directly if you have any questions or concerns at 435-654-3223.
