CITY OF RESIDENCE Interlaken

YEARS OF RESIDENCE 24

AGE 68

OCCUPATION Retired

It has been my pleasure to be on Interlaken's Town Council as the Town Treasurer for the past 10yrs. Having lived here 20+ years, I have watched Interlaken grow from a predominately second home community into an official municipality. It is my love for this community that makes me want to continue to serve on the Town Council and help guide and preserve the quality of life that made all of us choose to live here.
