CITY OF RESIDENCE Midway

YEARS OF RESIDENCE 5

AGE 51

OCCUPATION Nurse Practitioner

Dear Friends and Neighbors,

My name is Erin Merryweather, and I'm asking for your support as I continue serving our community.

For the past five years, I've proudly called this town home. I understand the unique challenges we face because I live them alongside you—and I'm committed to working for real solutions.

Service has always been at the heart of who I am. I've spent the last 20 years serving our country in the military and the last 10 years serving on our local school board, advocating for students, families, and educators. Over the past year, I've had the honor of serving on our town council, working hard to represent your voice and priorities.

What drives me is simple: a deep commitment to helping others and making our town the best it can be. I believe in listening, in leading with integrity, and in putting people before politics.

With your vote, I'll continue to serve with dedication and work every day to make our community stronger, safer, and more connected.

Thank you for your trust and support.

Sincerely,

Erin Merryweather
